Hi there! I am Jenelle Lovelady, can't wait to see you 😊 With overwhelming conviction, my heart is devoted to the children of this earth. I said good-bye to corporate life and hello to following my passions; teaching and nurturing growth in young girls by being a role model and proving a safe environment for girls to thrive physically, mentally and emotionally. I am building and creating community by investing my time, energy and love. I am living in light from being and trusting my most authentic self, I hope in some way I can inspire your daughter and your family to do the same.

Live Freely, Jenelle

June 2020

Unicorns and Glitter

Celebrate the magic of unicorns! Camp will feature lots of sparkly crafts, singing, dancing and make believe! Let your little ones imagination fly as they create their own unicorns and accessories. Camp activities include a unicorn transformation as each camper gets a glitter hairstyle, face paint and sparkle nails!

STEM

This camp teaches challenging skills in a fun way for future careers in science, technology, engineering, and math! We will have fun making slime, lava lamps, experimenting with our senses, building and learning how to power things in an engaging setting. We will be working on life skills like problem-solving, creativity, collaboration, and more.

Parks

Visit North County's best parks, 5 days in a row. We will be learning to pack picnic lunches and play outside, exploring, and adventuring. Hide-and-Seek, relay races, scavenger hunts, and so much more. Guaranteed a great nights sleep!

July 2020

B is for Birthday

Happy Birthday America and all the Summer Babes! This week is all about fun. We picked the best of the best activities and packed them into one week to guarantee the best birthday ever!

Royal

There will be story time, magic wands, candy necklaces, jewelry making, musical games! Each girl will be making a picture frame of herself in her favorite costume. This is a terrific way to build self esteem and character.

Olympics

Pack your bag and let's get exploring! Encounter a different country every day through maker projects, traditional games, and Summer Olympic events. Gain skills in diving, gymnastics, ribbon twirling and more!

Play, Play, Play

Swing, Slide and Climb! We hand picked the most fun playgrounds to play at. Spend the day with friends, making bubbles, flying kites, and laughing. Good ole' fashion fun.

August 2020

Water

Splish-Splash! Come jump in, the water is nice. ☺ This week we will explore the pool, beach, water fun at home, the lagoon and even the water park. Are you ready for so much fun? We are!

Animal

Join the herd and learn all about how animals adapt, from communication to camouflage. Trek through the wildlife, get into nature at the safari station, Discovery Center and explore fuzzy, furry and fun animals.
